

## Grabill Gray Paint & Paint/Glaze Finishes

August 1, 2013

The following special color developments are a sampling of gray paint and paint/glaze finishes created for our designers.

These special finishes have a 2-year expiration. Expired colors may be reordered and updated to a new Grabill color number on an Express order.

10" x 4" blocks used for viewing the finishes should not be used to sell a project. Instead, please order a 12" x 15" sample door in the style your client likes.

Some of the finishes have a base referencing a Benjamin Moore color as noted on the table below.

Grabill finish number	Expiration	Finish type	Ben-Moore base reference	Percentage
