

Grabill Gray Stain & Stain/Glaze Finishes

February 2014

The following special color developments are a sampling of gray stain and stain/glaze finishes recently created for our designers.

These special finishes have a 2-year expiration. Expired colors may be reordered and updated to a new Grabill color number on an Express order.

10" x 4" blocks are for visual reference only and should not be used to sell a project. Instead, please order a 12" x 15" sample door in the style your client likes.
