Quote Valid for 60 Days

Important Instructions:

- You must already have your project entered into OOE before we will review for pricing accuracy.
- Your project is reviewed for feasibility and pricing only. Quoting does not engineer the details of the project.
- Please contact the quoting department for a revision if any design changes follow this quotation.
- See product warranty restrictions in Chapter 23 of our catalog. Products specified which exceed warranty limits will not be compensated by the factory.
